TE100-SK4
10/100Mbps Switched Fast Ethernet Network Kit

TRENDnet's TE100-SK4, a 10/100Mbps Fast Ethernet Switched Network Kit, is a complete solution for connecting two personal computers to share files, printers, and hard drives. The kit comes with two 32-bit PCI Bus 10/100Mbps NWay Fast Ethernet PCI cards (TE100-PCIWN), one 5-port 10/100Mbps Ethernet Mini Switch (TE100-S5P), two 15 feet CAT5 cables, and an easy-to-use installation guide. As your network grows, you can uplink switches or network hubs to the 5-port mini switch to gain more ports. Designed espe-cially for home and small office use, this reliable network kit lets you cruise in 200Mbps (full-duplex) and expand your network in the future.

FEATURES

10/100Mbps 32-Bit N-way Fast Ethernet PCI Card (TE100-PCIWN)

- Complies with IEEE 802.3 and IEEE 802.3u standards
- Single RJ-45 connector (CAT 3, 4, 5 UTP/STP cables for 10Mbps operation and CAT 5 UTP/STP cable for 100Mbps operation)
- 32-bit PCI Bus master mode
- Plug and Play (PnP) for auto-configuration
- Supports half- and full-duplex operation
- Built-in FIFO buffers reduces overhead of memory transfers
- Compatible with all popular operating systems
- 5 Year Warranty

5-Port 10/100Mbps Ethernet Mini Switch (TE100-S55Eplus)

- Complies with IEEE 802.3 and IEEE 802.3u standards
- Five 10/100Mbps NWay auto-negotiation UTP/STP RJ-45 ports
- Operates at maximum packet filtering and forwarding rate
- MDI-II uplink port (shared) for easy expansion
- 128Kb buffer memory
- Half- or full-duplex mode
- Filtering Address Table up to 1K MAC entries (per device)
- Compact design with external power adapter
- 5 Year Warranty

BENEFITS

- **Upgrabable:**
  Add workstations as needed.

- **Expandable:**
  Add a server, Internet station, network printer, or network hub without changing the switch.

- **Flexible:**
  Switch is small enough to be put anywhere it is needed.

- **Cost Effective:**
  With a 5 year warranty, purchase only the parts you need.

SOFTWARE SUPPORT

- Windows NT
- Windows 95/98/2000
- Windows for Workgroups
- Novell NetWare
- LAN Manager
- IBM LAN Server
- IBM LAN Support
- IBM TCP/IP

- NDIS Driver
- DEC PATHWORKS
- Banyan
- SCO UNIX
- Packet Driver
- FTP PC/TCP
- NCSA TCP/IP
- LINUX

ISO9001

PRODUCT INFORMATION

TE-SK1: 5-Port 10Base-T Hub Ethernet Starter Kit
(2 x TE-PCIWT, 1 x TE-500, 2 x 15' CAT 5 cables)

TE100-SK1: 5-Port 100Base-T Hub Fast Ethernet Starter Kit
(2 x TE100-PCIW, 1 x TE100-H5E, 2 x 15' CAT 5 cables)

TE100-SK2: 4-Port 10/100Mbps Dual Speed Starter Kit
(1 x TE100-PCIWplus, 1x TE100-DX4PCI, 1 x 15' CAT 5 cables)

TE100-SK3: 5-Port 10/100Mbps Switch Fast Ethernet Network Kit
(2 x TE100-PCIWN, 1x TE100-S55E, 2 x 20' CAT 5 cables)

TE100-SK3plus: 5-Port 10/100Mbps Switch Fast Ethernet Network Kit
(2 x TE100-PCIWN, 1x TE100-S55Eplus, 2 x 20' CAT 5 cables)

TE100-SK4: 10/100Mbps Switched Fast Ethernet Network Kit
(2 x TE100-PCIWN, 1 x TE100-S5P, 2 x 15" CAT 5 cable)
