- 21.3" viewable
- Dual CPU inputs
- Narrow bezel
- Easily pivots from portrait to landscape view
- VESA® wall mount compatible
- Compatible with PC/Windows, Macintosh, Sun Microsystems
- Available in silver or black

If you're looking for precision digital quality, you'll find it in the Samsung 213T LCD monitor. It offers high 500:1 contrast ratio and a 170° viewing angle. It's perfect for CAD/CAM applications and other detailed design work. It also swivels and pivots easily from portrait to landscape view, which makes it easy on your neck. And its sleek, narrow-bezel design makes it easy on your eyes.
